# Please share this report with your Mortgage Broker or Realtor

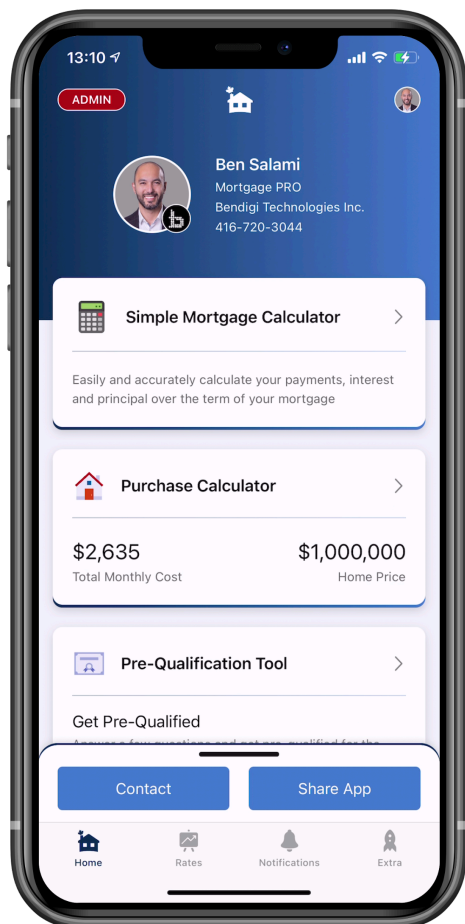

## Why is it important to share with your Mortgage Broker or Realtor?

Because they can help guide you through the purchase process and make it far easier for you. The other reason is that we need your support. You may not know it, but building and maintaining an app like the Canadian Mortgage App takes a lot of effort. So to keep it free for you, we fund our development by offering Mortgage Brokers and Realtors a PRO version of our app.

One of the best ways that you can show your support is by showing off your report with professionals. Copy the link to the report and send it via email or text it to your Mortgage Broker or Realtors so they can book a demo with us to see the awesome PRO features.

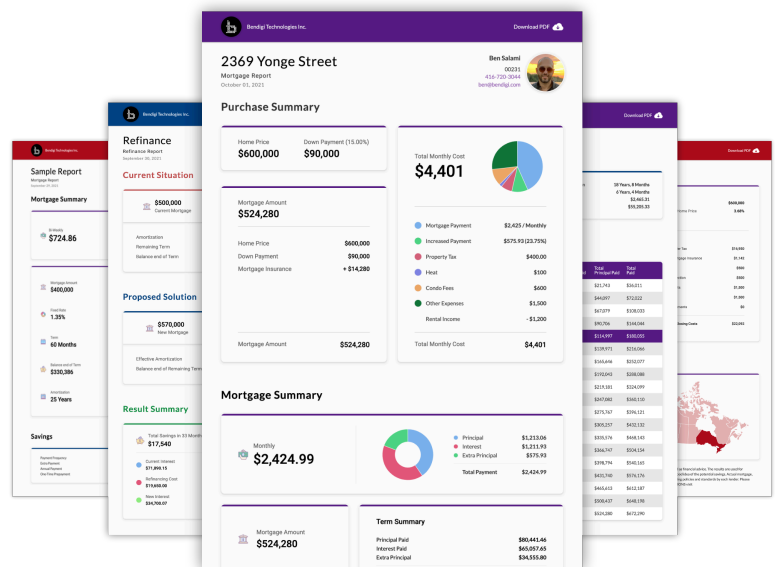

## Dear Industry Professional

In case you haven't noticed, but your client is using the Canadian Mortgage App for Homebuyers. So why not offer them a personalized version so they can take advantage of more features? Currently, more than 7,000 professionals in Canada are using our PRO version. It's affordable, professional and will help you generate more business.
